

For our group company ABC/AFL we are looking for a

Manager Warehouse & Ramp Operations (f/m/x) Full-time, soonest

Brief Description

For our warehouse in Liege, Belgium we are looking for a Manager Warehouse & Ramp Operations who plans, organizes, directs and manages all office and warehouse activities including the quality assurance. He/she supports the higher management in setting performance targets in the warehousing area and strategic planning in terms of costs, productivity, customer management and financial results. More than that, the Manager Warehouse & Ramp Operations ensures, coordinates and monitors overall a smooth warehouse and ramp handling in Liege on daily basis which includes freight, shipping and receiving, returns and transfers.

Your Duties in Detail

- Ensure planning, control and implementation of all Ground Handling activities to achieve defined productivity and quality targets
- Monitor, measure and report on operational issues, opportunities and development plans and achievements
- Maintain customer relationships including regular review meetings with customers
- Implement new handling procedures and technologies according time and quality specifications in concert with the Ground Handling Agent
- Elaborate and ensure security regulations and measures defined by law, monitored by local authorities and linked to regulated agent requirements
- Maintain a safe and healthy work environment by establishing, following and enforcing standards and procedures and comply with legal regulations
- Be a competent point of contact for employees, customers, authorities and suppliers

Background & Personal Skills

- University bachelor's degree in economics, preferably logistics, supply chain management or business administration
- Work experience in an international company and in air cargo operations
- Minimum 5-year experience in a ground handling environment and expertise in warehouse management procedures and best practices
- Ability to communicate clearly and effectively with all levels of employees, customers and suppliers
- Strong leadership skills and ability to manage staff
- High organizational, administrative and analytical skills
- Ability to work under time pressure and to make decisions in stressful situations
- Conscientious attitude, strategic thinking, result orientation
- Entrepreneurial thinking
- Computer literacy including specialist software
- Language skills: fluent English and basic French (verbal and written)

What We Offer

In addition to a qualification and performance related remuneration system and exciting projects in an international work environment, we offer diverse trainings and the opportunity to work in a challenging and expanding company with a great team spirit.

Would you like to be part of our team? Please send a cover letter and your full CV (both in English) stating your salary expectation to hr.europe@airbridgecargo.com. We look forward to meeting you.
