

ECS Group is the largest integrated GSSA worldwide, representing hundreds of airlines in over 50 countries through its 150 offices.

We want to reinforce our operational team at the airport of **Liege** and with immediate effect are looking for:

Operations Coordinators.

Beside excellent communication and language skills (English / French) a profound knowledge and experience is required concerning:

- in/export operation and documentation.
- warehouse supervision.
- Build up and pallet optimisation
- Coordination of all ground services and providers
- flight planning according to commercial needs and follow up
- computer skills: word excel access and PowerPoint

DG license, space control, loading / flight instruction and cargospot knowledge are a plus

We offer:

- Permanent work in an international environment
- Growth opportunities
- Good salary package with various benefits
