SECURITY

Security rules for aircraft not handled and with origin different than EBLG:

- When full stop landing, transit parking mandatory in GAT area with engine(s) shut down.
- Airport security shuttle mandatory for flat fee of 60 EUR, excluding VAT. All people on board must stay in aircraft until arrival of airport security staff.
- People leaving the airport will immediately be taken by airport security to the airside/landside boundary located at the passenger terminal. Airport security will perform a hand search of crew members staying in the aircraft as well as a hand search of their personal effects.

HANDLING

For Business Aviation handling, a dedicated terminal is exclusively managed by AVIAPARTNER LIEGE EXECUTIVE for aircrafts up to 30 seats and VIP configuration.
Handling mandatory for aircraft with MTOW over 3 T except for home-based aircraft.

 - * copy of Weight Certificate with MTOW

FLIGHTS SCHEDULES TO BE PROVIDED

Mandatory to the APOC - Flight Office by fax +32 4 234 8561 or by SITA at LGGJLXH by aircraft operator, or Captain in command or handler in charge of flight.

- Schedule of flights : FLT – ACFT – CONFIG – DOF – ADEP – ADES – STD – STA
all times in UTC
- All DEP and DLA MVT MESSAGES

TRAFFIC FORM TO BE PROVIDED

Mandatory to the APOC - Flight Office by fax +32 4 234 8561 or copy at the office by aircraft operator, or Captain in command or handler in charge of flight.

- maximum delay: 4 hours after the ATA or ATD of acft.

EBLG AIRPORT RESTRICTIONS

See EBLG - NOTAM's in force

RMK: The Times specified in this document are expressed in UTC and relate to the wintertime period. To obtain the local time, add one HR (UTC+1).

Flight Plans

ICAO FPL MANDATORY FOR ALL INCOMING, OUTGOING AND TRAINING FLT

Noise Restrictions :

- Chapter 2 acft are banned from the airport
- Recertified acft and Hush-kited acft are banned in the period from 2200 till 0600 UTC

Training restrictions for aircrafts of more 6 tons :

- For training info or permission, contact directly Airport Authority: +32 4 234 84 29 (H24)
- Training flights may only be operated by jet and propeller aircraft of more than 6000 kg from Monday to Friday between 0900 and 1900 (local time), except on holiday during the official school holiday periods of the Belgian French speaking community, provided they have already been operated in the territory of the Walloon region before this decree (8 NOV 2000) entered into force or provided the operator develops commercial activities in that territory.
- banned during public holidays, official school holiday period :

- * Winter : 26 DEC 2016 – 06 JAN 2017 included
- * Carnival: 27 FEB – 03 MAR 2017 included
- * Spring: 03 APR – 14 APR 2017 included
- * Labour Day : 01 MAY 2017
- * Ascension day : 25 MAY 2017
- * White Monday : 05 JUN 2017
- * Summer : 01 JUL – 31 AUG 2017 included
- * Autumn : 30 OCT – 05 NOV 2017 included
- * Armistice: 11 NOV 2017
- * Winter : 25 DEC 2017 – 07 JAN 2018 included

Engine test runs

Full power engine tests are prohibited between 2000 and 0800 UTC.

Use of reverse thrust

The reverse thrust should be kept to a minimum compatible with the safety of the aircraft.

NOISE MONITORING SYSTEM

Noise monitoring system – 16 sonometers in use.

NOISE LEVEL LIMITS

The principle of the repression against noise pollution generated by the airline traffic is into force by the Walloon Region decree dated 2001, 08 June.

Noise level limits by area, based on Noise Exposition Map, are :

AREA	NIGHT (23h00 - 07h00 LT)	DAY (07h00 - 23h00 LT)
	LAeq (1s) MAX	LAeq (1s) MAX
B	87 dBa	93 dBa
C	82 dBa	88 dBa
D	77 dBa	83 dBa

Penalties are 200 to 7500 EUR / offense.

Rules, limits and penalties table are published in the Walloon Region decree dated 2004, 29 January.
